EVERGREEN Sensa™

NON-STERILE AMBIDEXTROUS LATEX EXAMINATION GLOVES

EPF 21

Evergreen Sensa™

Non-sterile Ambidextrous Latex Examination Gloves are 100% natural latex rubber and are an effective barrier against bloodborne pathogens. They are close fitting for maximum dexterity, sensitivity and comfort.

Low residual chemical content provides reduced risk of non-latex allergic reactions.

Evergreen Sensa™ Non-sterile Powder-free Latex Examination Gloves are chlorinated and textured for excellent grip, even in wet conditions. Their high tensile strength and elasticity provide security and excellent barrier performance.

Evergreen Sensa™ Non-sterile Latex Examination Gloves are powder-free giving a reduced risk of airborne latex allergies. They have beaded cuffs for easy donning and are available in a wide range of sizes to suit all users. A perforated dispenser box provides easy dispensing.
